# ABOUT US

---

As per the dictionary, “McCoy” means “The Original One, The Real Thing, The Genuine”. This is DNA of all our products and services we at McCoy offers. In the ever changing world, one constant pursuit is the quest for happiness ! And happiness comes in many different forms. Anything which brings comfort, anything done for the family, ultimately brings happiness.

We at McCoy endeavor to help in this quest of happiness with the help of our wide range of home appliances ranging from Air Coolers-help you beat the heat to kitchen appliances, which help you to make delicious dishes in one time for your family.

McCoy products are from the house of V.K. Group, one of the leading Original Equipment Manufacturer (OEM) in India having factories at strategic locations across India. Critical processes like designing, tool development, motor and PCB manufacturing etc. are done in-house.

All products are designed with rugged specifications to meet global standards and to provide hazard free services for years to come. McCoy is under the oath of a promise - **A PROMISE OF HAPPINESS !**

### Calor Series

Available in 15 & 25 Ltr. with 2kW

- Glass line technology
- Indicator lamp for power and heating
- Adjustable thermostat control
- High working pressure 0.80 MPa
- Fire retardant cable
- Multi-Functional safety valve
- Magnesium anode
- High efficient PUF insulation

### Bero Series

Available in 6,10,15 & 25 Ltr. with 2kW

- Glass line technology
- Indicator lamp for power and heating
- Adjustable thermostat control
- High working pressure 0.80 MPa
- Fire retardant cable
- Multi-Functional safety valve
- Magnesium anode
- High efficient PUF insulation

## Celsius ST-Series

Available in 6,10,15 & 25 Ltr. with 2kW

- High quality corrosion free stainless steel inner water tank
- High working pressure 0.60 MPa
- Fire retardant cable
- Pressure relief safety valve
- High efficient glass wool insulation

## Calor Insta

Available in 3 Ltr. with 3kW

- 99.9% Pure copper heating element
- High working pressure 0.8 MPa
- High gloss rust proof ABS body
- High precision thermostat and preset thermal cutout
- Pressure release / safety valve
- High quality corrosion free stainless steel inner water tank
- Indicator lamp for power and heating

## GAS WATER HEATERS

**2**  
YEARS  
WARRANTY\*  
ON PRODUCT

### Stella -610 / 608

Available in 0.8 & 1kg.

- Summer / Winter switch
- Automatic ignition
- Temperature protection device
- Flame failure device
- Suitable for low & high Pressure
- 20 Min in built timer

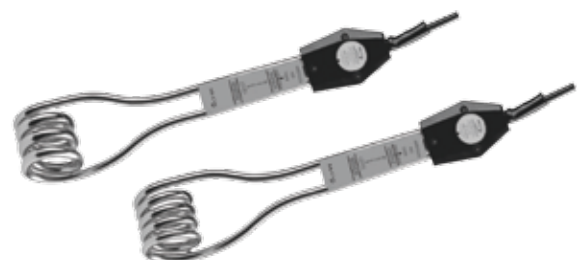

## IMMERSION HEATERS

**18**  
MONTHS  
WARRANTY\*  
ON PRODUCT

### IR 1.0K & 1.5K

Available in 1.0kW & 1.5kW

- 99.9% Pure electrolytic copper heat exchanger
- 1.75 Mtr. long cord
- Made of corrosion resistant material
- With water level indicator

# ROOM HEATER

Fan Heaters

Halogen Heaters

Quartz Heaters

## FAN HEATERS

**1**

# MANUFACTURING FACILITIES

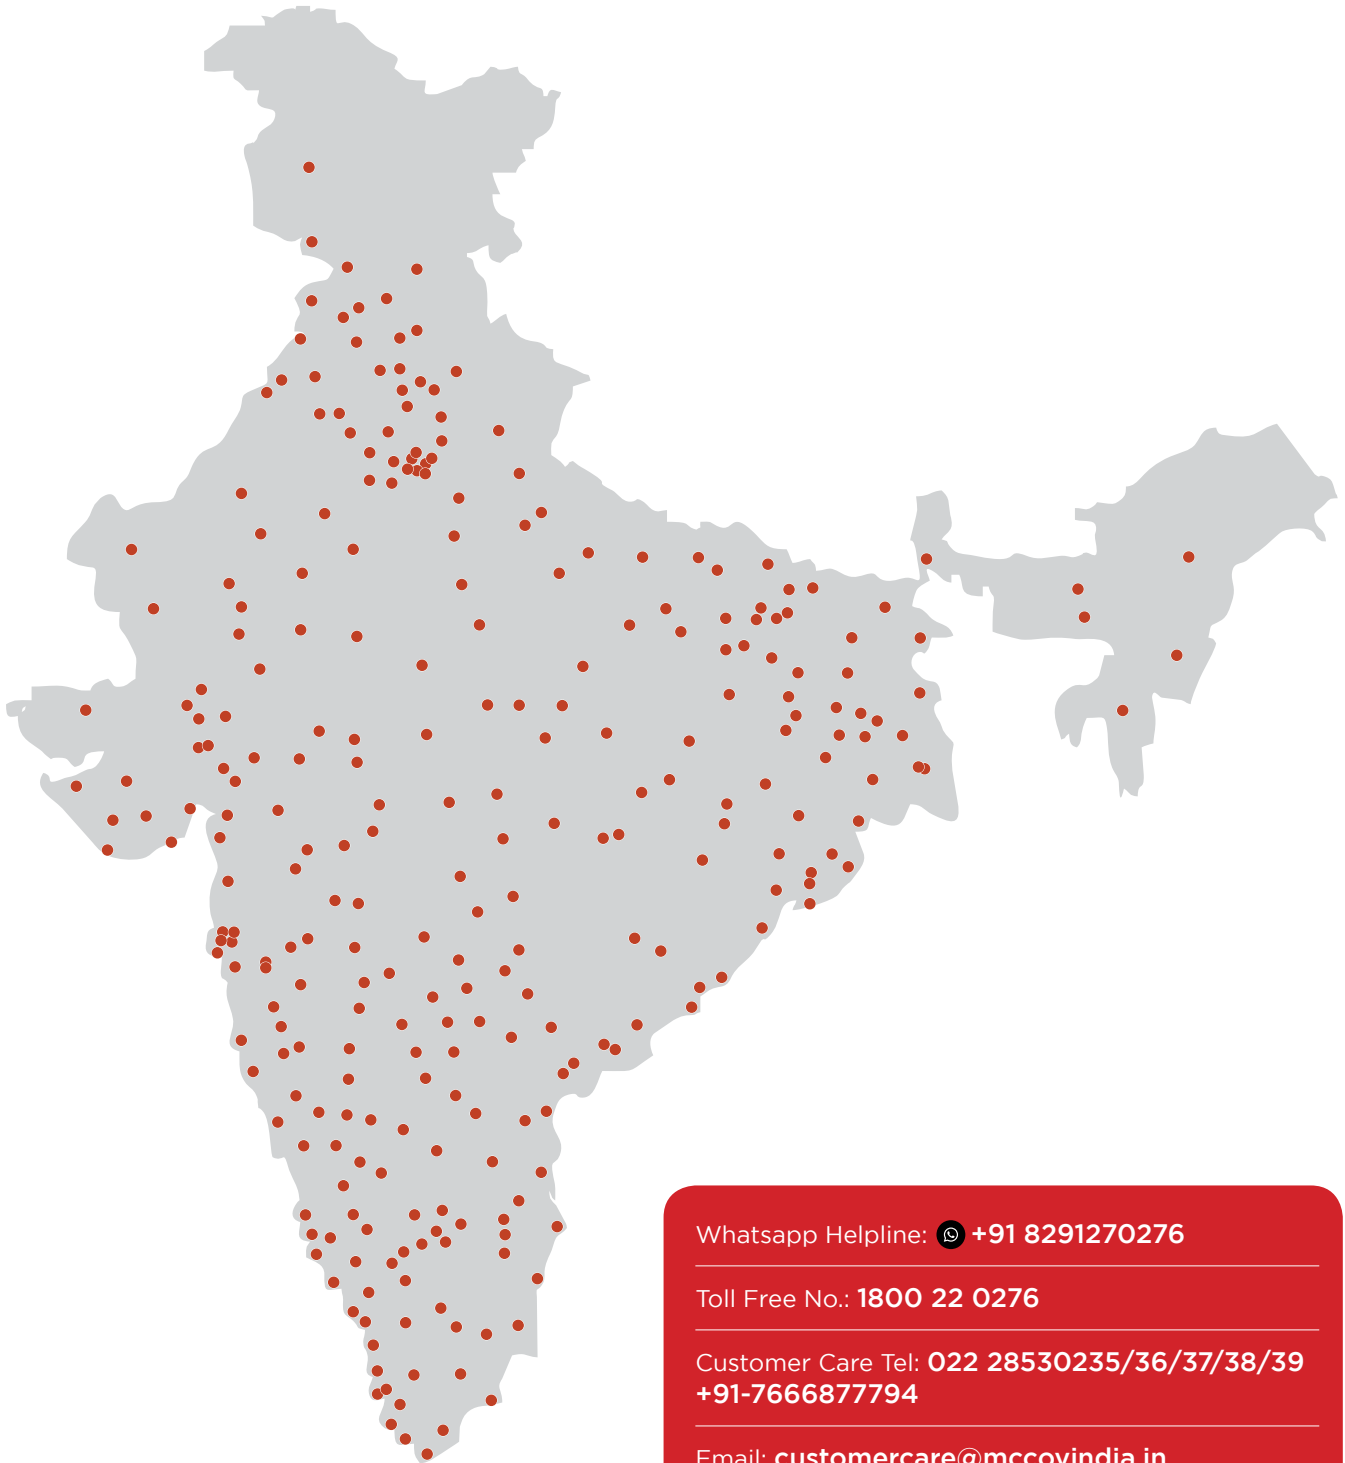

When we talk of precision, we truly mean precision. Manufacturing units deliver quality while designing and manufacturing precision moulds and dies for plastic injection moulding. R&D wing helps us to consistently upgrade product appearance and functioning through constant enhancement of the design, drafting and mould manufacturing processes; thereby offering a one point design, manufacturing and consultancy service.

## Manufacturing Units

- Suvidha Appliances, Baddi : Mixer Grinder, JMG, Food Processor
- Canbara Industries Pvt. Ltd. Unit 1, Silvassa : Mixer Grinder (Export)
- Canbara Industries Pvt. Ltd. Unit 2, Palghar : Air Cooler, Tower Fan, TPW Fan, Injection Moulds & Dies
- Canbara Industries Pvt. Ltd. Unit 3, Palghar : Induction Stove, Water Heater
- Canbara Industries Pvt. Ltd. Unit 5, Palghar : Power Cord & Motor Lamination
